Citizenship, Classroom Rules, Behavior Expectations:

- *The Board expects student conduct to contribute to a productive learning climate. Students shall comply with the district's policies, administrative regulations, school and classroom written rules, pursue the prescribed course of study, submit to the lawful authority of teachers and school officials and conduct themselves in an orderly manner during the school day and during district-sponsored activities.*

Careful attention shall be given to procedures and methods whereby fairness and consistency without bias in discipline shall be assured to each student. The objectives of disciplining any student must be to help the student develop a positive attitude toward self-discipline, realize the responsibility of one's actions and maintain a productive learning environment.

- See [CCSD Board Policy JFC](#) for more details.
- Cadets will be held to additional/higher Standards of Conduct termed “military Bearing,” as evaluated by the NJROTC instructors. Military bearing will be evaluated regularly and will be a determining factor in whether cadets are permitted to return to NJROTC.
- Cadets will arrive at class on time and ready to learn! The class leader will call, “Attention on deck!” Immediately, everyone will come to the position of attention and recite the “Cadet Creed.”
- Similarly, if an adult enters the room at any point during the class period, the first cadet to see her/him should call, “Attention on deck!” Everyone will immediately get out of their seats and stand at attention until directed to return to their seats.
- Approximately five minutes before the end of class, all NJROTC notebooks will be stowed on the shelves at the back of the classroom, and the classroom will be policed for stray trash. At the close of class, at the direction of the SNSI, the class leader (not the bell!) will dismiss the class. The class leader will bring the class to attention. Immediately, everyone will get out of their seats and stand at attention. When everyone is at attention, the class leader will dismiss the class.
- Cadets are expected to wear the uniform on Uniform Days. A significant portion of the final grade is based on military bearing (considered in-class work) which includes uniform inspections. If for some reason cadets are unable to wear their uniform on a specific day, they shall make prior arrangements with the instructor to wear it on an alternate day. If absent on uniform day, cadets will wear the uniform the first day they return to school. If cadets know ahead of time they are going to be absent on uniform day, they shall make prior arrangements with your instructor. Continued failure to adhere to uniform (including haircut/grooming) regulations may result in disenrollment from the NJROTC program.
- When cadets wear the uniform, they are representing our country, the Navy, our school, our program, the SNSI, NSI and oneself. Wear it proudly.
- Chewing gum is not permitted in class or whenever in uniform.
- Food and beverages (other than water) are permitted in the classroom with instructor approval.
- Cadets shall keep the classroom and the area around their desk clean. Under the direction of the class leader, the class will be expected to self-police.
- Cadets are expected to help fellow cadets to succeed at every opportunity.
- The SNSI reserves the right to remove cadets from the program, at any time during the school year, based on violations of cadet conduct and/or a continued pattern of misbehavior.

Grading System:

- *The district’s grading system shall be based on Board-adopted course content and is designed to enable the student and parent to clearly know how well the student is achieving course requirements at the student’s current grade level or course content level, and be based on the student’s progress toward mastery of a continuum of knowledge and skills outlined in Oregon State Standards. Absenteeism or misconduct shall not be the sole criterion for the reduction of students’ grades. Behavioral performance shall be reported separately. The district will use letter grades (A,B,C,D,F) that can be converted into a 4 to 0 reporting system in grades 6-12. All AP courses are graded on a 5.0 grading scale.*
- *Grades will be based on many factors, such as: basic instructional assignments, both oral and written; results from various assessment instruments, including critical content short cycle assessments as well as quizzes and exams; class participation; special assignments; research; activities of various types of kinds and special contributions.*
