<u>Course Description</u> : CCHS NJROTC courses instill in cadets the values of citizenship, service to the United States, personal responsibility and a sense of accomplishment. Orienteering is the sport of navigation--often held in unfamiliar terrain--using a map and compass. Cadets will develop a blend of physical and intellectual aptitude: the higher order thinking skills of deciphering a map on the run, coupled with the physical and mental demands under time pressure. Classroom theory will be reinforced with in-field practice, both individually and as a team, with the possibility of competing against area schools. Cadets may also explore sea navigation. Concurrent/prior enrollment in NS1-4 preferred or instructor approval.		
<u>Learning Standards/Targets</u> : - History of Orienteering, - Orienteering Event Components, - Map Reading & Compass Use, - Basics to Advanced Land Navigation, and - If time permits, Maneuvering Board Use & Application.

A classroom teacher receiving a complaint regarding instructional materials shall try to resolve the issue informally through the discussion of the original assignment or the opportunity for an alternative assignment.

Notification of the Right to Object to the Use of Material:

Any resident of the district may raise objection to instructional materials used in the district's educational program despite the fact that the individuals selecting such materials were duly qualified to make the selection and followed the proper procedure and observed the criteria for selecting such material.

The first step in expressing objection to materials is consultation with the classroom teacher or library staff and providing a written complaint. The district official or staff member initially receiving a complaint shall explain to the complainant the district's selection procedure, criteria and qualifications of those persons selecting the material. A classroom teacher receiving a complaint regarding instructional materials shall try to resolve the issue informally through the discussion of the original assignment or the opportunity for an alternative assignment. The materials shall remain in use unless removed through the procedure in section 4. F. (2) of this regulation.

The teacher or library staff receiving the initial complaint shall advise the principal of the initial contact within 24 hours, whether or not the complainant has apparently been satisfied by the initial contact. A written record of the contract shall be maintained by the principal and sent to the superintendent's office.

In the event that the person making an objection to material is not satisfied with the initial explanation or an alternative assignment, the person raising the questions will meet with a building administrator who will provide a Request for Reconsideration form.

For more details, see [CCSD School Board Policy IIA-AR](#).

Citizenship, Classroom Rules, Behavior Expectations:

- *The Board expects student conduct to contribute to a productive learning climate. Students shall comply with the district's policies, administrative regulations, school and classroom written rules, pursue the prescribed course of study, submit to the lawful authority of teachers and school officials and conduct themselves in an orderly manner during the school day and during district-sponsored activities.*

Careful attention shall be given to procedures and methods whereby fairness and consistency without bias in discipline shall be assured to each student. The objectives of disciplining any student must be to help the student develop a positive attitude toward self-discipline, realize the responsibility of one's actions and maintain a productive learning environment.

- *See [CCSD Board Policy JFC](#) for more details.*
- *Attendance will be in accordance with established CCHS policy.*
- *Cadets will take part in classroom discussion.*
- *Cadets will complete all assignments, projects, presentations, etc.*
- *Cadets will follow all school and JROTC-specific rules and procedures.*
- *Cadets will be held to additional/higher Standards of Conduct termed "military Bearing," as evaluated by the NJROTC instructors. Military bearing will be evaluated regularly and will be a determining factor in whether cadets are permitted to return to NJROTC.*
- *Cadets will arrive at class on time and ready to learn! The class leader will call, "Attention on deck!" Immediately, everyone will come to the position of attention and recite the "Cadet Creed."*

- Similarly, if an adult enters the room at any point during the class period, the first cadet to see her/him should call, "Attention on deck!" Everyone will immediately get out of their seats and stand at attention until asked to return to their seats.
- Approximately five minutes before the end of class, all NJROTC notebooks will be stowed on the shelves at the back of the classroom, and the classroom will be policed for stray trash. At the close of class, at the direction of the SNSI, the class leader (not the bell!) will dismiss the class. The class leader will bring the class to attention. Immediately, everyone will get out of their seats and stand at attention. When everyone is at attention, the class leader will dismiss the class.
- Cadets are expected to wear the uniform on Uniform Days. A significant portion of the final grade is based on military bearing (considered in-class work) which includes uniform inspections. If for some reason you cannot wear your uniform on a specific day, make prior arrangements with the instructor to wear it on an alternate day. If you are absent on uniform day, wear your uniform the first day you return to school. If you know ahead of time you are going to be absent on uniform day, make prior arrangements with your instructor. Continued failure to adhere to uniform (including haircut/grooming) regulations may result in disenrollment from the NJROTC program.
- When you wear the uniform, you are representing our country, the Navy, your school, your unit, the SNSI, NSI and yourself. Wear it proudly.
- Chewing gum is not permitted in class or whenever in uniform.
- Food and beverages (other than water) are permitted in the classroom with instructor approval.
- Per school policy, use of cell phones is not permitted in the classroom, except with instructor approval.
- Keep the classroom and the area around your desk clean. Under the direction of the class leader, the class will be expected to self-police. In other words, pick up after yourself.
- Be respectful of others. Do not interrupt your instructors when they are speaking. If you have something to contribute, raise your hand. Treat others as you would like to be treated.
- In keeping with the Navy's core values of Honor, Courage and Commitment, have the personal integrity to always tell the truth. For example, if you are unable to complete an assignment, take responsibility and admit it. This is the mature, responsible thing to do.
- Help your shipmates (fellow cadets) to succeed at every opportunity.
- The SNSI reserves the right to remove cadets from the program, at any time during the school year, based on violations of cadet conduct and/or a continued pattern of misbehavior.

Grading System:

- *The district's grading system shall be based on Board-adopted course content and is designed to enable the student and parent to clearly know how well the student is achieving course requirements at the student's current grade level or course content level, and be based on the student's progress toward mastery of a continuum of knowledge and skills outlined in Oregon State Standards. Absenteeism or misconduct shall not be the sole criterion for the reduction of students' grades. Behavioral performance shall be reported separately. The district will use letter grades (A,B,C,D,F) that can be converted into a 4 to 0 reporting system in grades 6-12. All AP courses are graded on a 5.0 grading scale.*
- *Grades will be based on many factors, such as: basic instructional assignments, both oral and written; results from various assessment instruments, including critical content short cycle assessments as well as quizzes and exams; class participation; special assignments; research; activities of various types of kinds and special contributions.*
- See CCSD School Board [Policy IKA](#), [Policy IK](#), & [Policy IK-AR](#) for more details.
