<u>Course Description</u> : This class will prepare students to perform as a part of the CCHS Jazz Band. To participate in this class, students need to be currently enrolled in CCHS Concert Band, and/or have permission from the instructor (Mr. Schuler) to participate. This is to ensure that students have the prerequisite musical knowledge and skills to be successful learning the artform of Jazz. This class will serve as an introduction to the rich history of jazz music. Through ensemble rehearsal, individual practice, and a variety of performance opportunities, the student will gain an understanding and appreciation for this great art form. Emphasis will be placed on rudimentary improvisational skills, a sense of personal accountability, and musicianship as well as performance techniques. Members will study and perform different forms of music including jazz, funk, and blues. Each student is expected to show musical and technical growth through participation in this ensemble. This course will include concerts hosted at the CCHS auditorium, in addition to travel opportunities for festivals and competitions. Participation in concerts (home) and festivals (travel) are required as part of the grade for the course, missing one of these events will require a make-up assignment to be completed. Public and outside of school day performances are a requirement of the course. This class meets during the early bird time (8:00-8:50) every day unless prior notice is given by me to the student and/or parent/guardian.		
<u>Learning Standards/Targets</u> : All of our learning will be based on the three Core Standards of Creating, Performing, and Responding to music. Link to Core Standards: https://www.oregon.gov/ode/educator-resources/standards/arts/Documents/music-traditional--emerging-ensembles.pdf
